CURRENT EVENTS

What a Fun Week!

We have had a great FULL week in Kindergarten. I am so proud of these Kindergarteners. They have been working hard to learn our routines and showing me SUPER behavior. The class has already earned 5 Brownie points. They have to earn 20 to receive a Brownie party. We are going to have a great year. Every day for the star student we do different activities with his/her name, (Count letters, vowels, consonants), Clap syllables, and we learn about each student by discussing their information sheet and what's in the MYSTERY BAG. They also get to be line leader for the day! Please keep reminding your child every morning to make the good choices "star students" make!

Our activities included:

Fire Drill, Storm Drill, Intruder Drill and Bus Evacuation Drill

Please remember if you ever have any questions or concerns, send me a note, contact me by email at kwooten@bethalto.org send me a text through Remind or give me a call here at school at 377-7250 ext 110. Have an enjoyable weekend! ☺

DATES TO REMEMBER:

Friday, August 30-BOOK ORDER DUE!
Monday, September 2 NO SCHOOL-Labor Day

Friday-Gabe

*Remember we have 19 students if you plan on sending a snack for your child's STAR day.

☺ ****PLEASE READ**** ☺

- Please remember to check your child's home/school folder and behavior folder each night and return them each day!
- The behavior folder needs to be initialed each day!
- P.E. Days are on Mondays and Wednesdays. Wear tennis shoes.

It's A Little Chilly....

Our air conditioner works "REALLY" well. If your child has an extra light jacket that you would like to send to school to keep in his/her locker, that would be great. They are often chilly in the mornings and I have no control over the temperature.

Next Week: Star student continues, Color days, ISEL testing

Discuss all letters and sounds
