CURRENT EVENTS

New Things Continue In Kindergarten!

We had another great week in Kindergarten! I have been extremely proud of the boys and girls this week as they have been showing their self-discipline while learning routines and procedures.

We have quiet time each day. Students can watch a story read aloud online or rest somewhere in the classroom. Towels won't always come home on Fridays because they don't get too dirty.

Have a great weekend and I hope you enjoy your extra day off! 😊

STAR OF THE DAY NEXT WEEK-

- Tuesday-Bryson*
- Wednesday-Jayden*
- Thursday-Aubree*
- Friday-Henley*

Our activities included:

- Matching letters
- Chicka Chicka Boom Boom

Our Character Education Word of the Month:

Flower Project

Today I am sending home a flower project. Have fun working together & creating a flower to display above our lockers. This is due Monday, Sept. 9th.

Collect Soda Tabs!

We are having a contest between all of the classes to see who can collect the most soda tabs each semester! The winning class with the most gets an ice cream party! Let's see how many we can get!

Can Your Child Tie and Zip?

Parents-I am finding myself many times through the day, stopping to tie shoes and to zip up jackets, which causes some loss of instruction time. These are both important skills that students can learn to do independently on their own. If you could help practice at home on these two skills, especially jacket zipping, it would be greatly appreciated. 😊 I know it will get easier as the year continues on with your help! I want to try and minimize the loss of instruction time from these two skills. Thank you in advance for your help!
