## CURRENT EVENTS

Welcome Back!

Happy New Year!!! We are off to a great start in 2020 and are now in the process of learning how to become "first graders". I am so glad to start back with the boys and girls to finish the 2<sup>nd</sup> half of the school year! This week consisted of us reviewing our school and classroom rules and enjoyed completing winter activities!! 😊

The weather has been interesting for sure and the boys and girls are learning many interesting things about weather and temperatures! Next week we will continue winter activities and discuss Martin Luther King, Jr. a little more. Have a great weekend and stay safe if the weather is frightful! 😊

## Report Cards Coming Home Today 😊

Don't forget to check your child's folder for their report card today! Check over them closely and give extra practice at home with your child on the areas/skills he or she is not meeting. 😊 Sign and return by next Friday, in which I will record you have seen it and return it back. Please let me know if you have any questions at 377-7250 or [kwooten@bethalto.org](mailto:kwooten@bethalto.org)

## **Valentine's Already?**

Yes! In today's mail you will find a list of our class names for your child's valentines. You may want to have them start on them soon so your child can do a few each night. That is so you are not struggling to get them done at the last minute. Your child may also want to start working on a valentine box for their valentines! This can be made from a shoe box, wet wipe box, coffee can, etc. Have fun!

You will also find a note coming home soon about the Valentine's party. Keep an eye out for it! 😊

**NEXT WEEK:** Mitten activities MLK Jr
