CURRENT EVENTS

We are Thankful...

We had a very busy week as we have been making Thanksgiving crafts along with our usual Reading, Writing and Math lessons. We discussed what we are thankful for. The boys and girls are VERY thankful for their families and friends. Next week we will be continuing our Thanksgiving activities and singing some turkey songs. One of our favorite activities this week was painting our hands to make a turkey. I'll send that home SOON. We can't forget that NOVEMBER 18th, we will be celebrating Mickey Mouse's birthday by taste testing different cheeses and working on other Mickey activities! **DON'T FORGET TO WEAR YOUR MICKEY ATTIRE IF YOU HAVE ANY.** One more reminder: Monday is Veteran's Day so please think about our veterans and our soldiers that are currently serving our country.

Our activities included:

Sight Words: I, can, the, we, see, a, like, to, and, go

CENTERS: NATIVE AMERICAN ART, MAGNIFYING GLASS (SIGHT WORDS), QR CODE RHYMING WORDS, MAKING A TURKEY WITH PATTERN BLOCKS

Six Flags Readers

In today's mail you will find a Reading incentive.

Your child can earn a free ticket to Six Flags by writing down books your child reads or you read to them. ☺ You may also register your child online and enter your child's reading minutes from home. This will be due back by February 28th.

Next week we will begin chapter 4 in Math-Composing and Decomposing Numbers to 10. This is an early introduction to addition.

Questions to ask your child?

What does 2 and 2 make?

What is 3 and 5? Etc...

Happy Birthday to You!

Emmi-November 6

Jace- November 11th

Miss Nellums-November 13th
